

CHAPTER SPONSORSHIP

YOUR NAME IN FRONT OF DECISION MAKERS EVERY MONTH!!!

Understanding how valuable current and future customers are to any business, we are happy to share with you an easy way to communicate with them! No doubt your company already enjoys providing products and/or services to many in the Architecture/Engineering/Construction industry. The question is how do you keep your company name fresh in the minds of these key decision makers every month? We have the answer!

WE ARE PASSIONATE ABOUT THE SUCCESS OF OUR MEMBERS

We believe that as a group we are stronger, and that collaboration, knowledge and the creation of relevant lifelong connections empowers and drives the professional growth of our members. In a busy design firm, there are always new things to learn. SDA provides all levels of administrative staff with new perspectives and productive methods of performing their duties. This knowledge not only increases self-confidence, it benefits company production, profitability, and employee awareness.

We accomplish this through education, networking, and resources that focus on the specific needs of Management and Administrative professionals in the A/E/C industry. Your support will help fund monthly educational programs, professional development scholarships, attendance at National SDA conferences, and growing our Chapter.

We are SDA Dallas!!
